We Need a Vehicle!

As we make preparations to come back to Canada, we are searching for a vehicle to travel around with. If you or someone you know is able to lend us a reliable vehicle, please contact us directly by e-mail or by phone. **We need a vehicle beginning the week of the 23rd of August 2010, until the first week of January 2011.** During these four months we will be traveling and ministering in many different churches and towns/cities in Western Canada. Bless you as you pray with us for

this need. We appreciate all your prayers and support especially over these next several months for this time of transition for our family.

Three Years Have Gone BY—Wow??

Everyone says “time flies” and for us it really has. We are making arrangements to return to Canada for four months of visiting churches, ministry and re-connecting with family/friends. It amazes us that our oldest daughter, Charis, still talks about people/places in Canada as if she were just there. Mostly, both Charis & Kaelyn are excited to see family & friends and talk non-stop about making snow men and snow angels!!
